Angel Circle

**“Navigating these incredible times with ease and grace”
10:30 am – 12:00 noon**

Come explore how things are changing in how we connect with and get support from our heavenly helpers. Have you noticed that things aren't working the same way as they used to? Have you felt like you have lost your connection in some way and can't seem to access support in the same ways? Come find out why and immerse yourself in a space of peace, love, and hope.

Our time together will include discussion, exercises, meditation and tools to support you in this time of transition and the coming era of enlightenment.

SoulCollage®

2:30- 5:30 pm

Experience the magical process of self exploration through this fun and easy form of creative expression. Evoke your soul's voice through visual imagery and intuition, accessing the mysterious world of your core essence. As you create your own collages, you begin to deepen your understanding and appreciation of that rich, complex and beautiful soul that you are.

This powerful and playful process is based on Seena Frost's book called SoulCollage. It is a creative multi-layered process that anyone can do, and it is open to newcomers as well as old hats of the process. All materials and supplies are included. No experience necessary. Additional supplies, books and CD's about SoulCollage are available to purchase.
