**Full Day Retreat ~ With Jennifer Starr**  
**Sunday, June 27, 2010, 10:00am-5:00pm**

**Indulge yourself in a day dedicated to you**, your creative muse and your Soul's expression in a sacred sanctuary of peace and beauty. Our retreat will be located in a beautiful private home in Redmond, WA, with over four acres of tranquil grounds. You will have an opportunity to sit by a pond, listen to the sound of waterfalls, and soak in the peaceful energies of Nature.

**Experience the magical of self exploration** through this fun and easy form of creative expression. Evoke your soul's voice through visual imagery and intuition, accessing the mysterious world of your core essence. We'll explore Universal archetypes, discover our companion animal guides, and other fascinating ways our Soul communicates with us. As you create your own collage cards, you begin to deepen your understanding and appreciation of that rich, complex and beautiful soul that you are.

**This powerful and playful process** is based on Seena Frost's book called *SoulCollage*. It is a creative multi-layered process that anyone can do, and it is open to newcomers as well as old hats of the process. All materials and supplies are included. No experience necessary. A light, wholesome lunch, snacks and refreshment is included. Additional supplies, books and CD's about SoulCollage are available to purchase.
